

New  
Work-Tray for  
Standpipes

# A New Feature for Standpipe Covers

The new Work-Tray option from FTS  
allows field work with more ease.  
The Work-Tray simply slips  
on and off as desired.

*Keep your items high and  
dry.*

Designed to be simple & robust

- For FTS's 100 mm Sq Steel Standpipes
- Large 300 mm sq work area, big enough for your phone, work pad, or water quality meter
- Steel frame, powder coated
- Only 1 kg
